*Rediscovering the Magic of
Nuclear Medicine in the Magic City*

You are invited to attend the 2017 Annual Meeting of the Southeastern Chapter of the Society of Nuclear Medicine & Molecular Imaging, *Rediscovering the Magic of Nuclear Medicine in the Magic City* to be held October 6-8, 2017 at The Westin Birmingham in Birmingham, Alabama. The meeting will be filled with valuable and timely education for the Nuclear Medicine community. Lectures qualify for CEU and CME, and we are planning several SAM sessions. The target audience includes physicians, physicists, technologists, and radiopharmacists.

Program Chairs, Chirayu Shah, MD from the Tennessee Valley Healthcare System and Vanderbilt University Medical Center, Dori L. Browning, BS, CNMT, NCT from Kentucky Cardiology and Norman E. Bolus, MSPH, CNMT, FSNMMI-TS, University of Alabama at Birmingham and President-Elect of the SNMMI-TS, have organized an excellent and diverse program with many interesting and timely topics. The focus of this meeting will be on what the future holds for Nuclear Medicine Professionals. In addition, again this year we are planning to present abstracts by residents, basic science trainees, technologists, and technologist students, which will encourage thought, creativity and scholarly activity.

The SECSNMMI Annual Meeting is returning to Birmingham, Alabama. Nestled at the foothills of the Appalachian Mountains at the cross-section of two major railroads, the city was once the primary industrial center of the southern United States. At the height of the nation's manufacturing age, the city grew so fast in population, it was called the "Magic City." Today, Birmingham has transformed itself into a medical research, banking and service-based economy, making it one of the nation's most livable cities with a vibrant downtown, a burgeoning loft community, a world-class culinary scene and more green space per capita than any other city in the nation!

CME/VOICE Accreditation

Physician (AMA-PRA Category 1 Credits™):

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the Society of Nuclear Medicine and Molecular Imaging, Inc. (SNMMI) and the Southeastern Chapter SNMMI. The SNMMI is accredited by the ACCME to provide continuing medical education for physicians.

The Society of Nuclear Medicine and Molecular Imaging, Inc. (SNMMI) will designate this live activity for a maximum number of TBD AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

VOICE Statement:

The SNMMI, through its Verification of Involvement in Continuing Education (VOICE) program, is reviewing and will approve this meeting for a maximum number continuing education hours (CEHs). VOICE-approved credit is recognized by most licensure states and by the NMTCB and ARRT as Category A credit. Participants will receive CE credit for those sessions at which they were present a minimum of 80%.

CAMPEP:

The Southeastern Chapter SNMMI is applying for approval by the Commission on the Accreditation of Medical Physics Programs (CAMPEP) to grant MPCEC hours.

ACPE: The Society for Nuclear Medicine and Molecular Imaging, Inc. (SNMMI) is accredited by the Accreditation Council for Pharmacy Education (ACPE) as a provider of continuing pharmacy education. This activity has been designated as knowledge-based CPE. Learners will successfully complete the CPE activity and be awarded credit for any sessions attended in full upon completion of the activity evaluation form, which will be sent out after the program.

12:45 - 1:30 pm SEC & SECTS Business Meeting & Awards Presentations

SESSION 4. Parathyroid Imaging and Lymphoscintigraphy

Moderator: Chirayu Shah, MD, Vanderbilt University

2:00 - 2:30 pm *Nuclear Imaging in Hyperparathyroidism (SAM)*
Chirayu Shah, MD, Vanderbilt University Medical System

2:30 - 3:00 pm *Minimally Invasive Radioguided Parathyroidectomy (MIRP) (SAM)*
Herbert Chen, MD, FACS, University of Alabama at Birmingham

3:00 - 3:30 pm Refreshment Break in Exhibits

3:30 - 4:00 pm *Lymphoscintigraphy: Technologist Perspective*
Heidi Camposano, CNMT, Duke University Medical Center

4:00 - 4:30 pm *Nuclear Imaging in Lymphatic Mapping*
Valeria M. Moncayo, MD, Emory University School of Medicine

4:30 - 5:00 pm *Lymphoscintigraphy: Surgeon's Perspective*
Carlo M. Contreras, MD, FACS, University of Alabama at Birmingham

6:00pm ***Saturday Evening Social Event at the Alabama Sports Hall of Fame - Where Heroes Live Forever (Optional)***

Join us for an evening of networking with friends, true southern barbeque and LOTS of sports history! Over the last thirty-five years, the ASHOF has become the benchmark for other Sports Museums across the country, with over 5,000 sports artifacts elegantly displayed in the 33,000 square foot building. Out of ESPN's list of the top 100 athletes of the century, five out of the top fifteen greatest ever are in the ASHOF: Jesse Owens, Hank Aaron, Joe Louis, Willie Mays, Carl Lewis and Al Worthington.

Whether you are sports fan or not, plan to spend your Saturday night with your Nuc Med friends!
