HEALTHCARE TRANSFORMATION:

The changing landscape and current financial pressures on hospitals continues led unprecedented transformation. The tides are changing again in Washington required new strategies once again. Over the past decade, the 1st Illinois HFMA Chapter has delivered one the markets top rated healthcare executive programs and networking events.

Hospitals are leading the transformation of the industry and it's not a question of whether healthcare leaders will need to adapt the new environment; the only question is how will you get ahead of the curve or be on the right part of the curve. It is incumbent on the Chicago area hospital leaders to stay on top of the issues surrounding these major changes to the healthcare landscape. With that in mind, this symposium will:

- Present various perspectives from healthcare leaders nationally and locally
- Paint a future state of the healthcare delivery system including future financial and consumer driven pressures
- Determine the specific issues faced by the hospital industry, and how you can minimize negative impacts or take advantage of new opportunity
- Learn specifically how others represented on an executive panel are building new models today including new entrants to position themselves for tomorrows success

Once again, we have an incredible speaker who will help attendees to understand the current issues, steps you can take within your organization and the role that healthcare leaders can take in assuring successful decision-making and implementation of these important issues.

About the Golf Outing.....

Eagle Brook Country Club is a private country club in Geneva, Illinois with more than 300 members containing a golf courses designed by Roger Packard and Andy North, swimming and tennis facilities and a wonderful clubhouse. As one of the best finishing holes in the Chicago area, hole 18 presents players with a challenging tee shot. It must be straight enough to avoid the water on the left and long enough to let your approach shot carry to an island green.

The golf fee includes 18 holes of golf with a cart, driving range, putting green, bag service, tee favors, locker room facilities, Pro-Shop services, and other valuables.

The golf outing will commence with a lunch and player gifts for golfers at 11:30 am and a shotgun start at 12:30
