

Dear SECSNMMI Technologists,

The Southeastern Chapter of the Society of Nuclear Medicine and Molecular Imaging 2017-2018 elections are approaching. Members are encouraged to nominate others and permitted to self-nominate. Consider the opportunity to contribute to the mission of the SECSNMMI. Participation strengthens to the society and allows you to network with other society leaders.

Offices of President-Elect, Secretary and a Finance Committee member will be included on the 2017-2018 slate.

Watch for the email coming this summer!

Robert Pagnanelli, BSRT(R)(N), CNMT, NCT, FASNC
Chair, SECSNMMI-TS Nominations Committee
